

## **MWAi Offers Our MPS Technology Showcase Event!**

*A national bus tour provided by Samsung to showcase affordable printing solutions will be present at this event!*

**Scottsdale, AZ** – December 18 2009 - MWA Intelligence, Inc. (MWAi), a leader in enterprise-class M2M (machine-to-machine) and M2P (machine-to-people) solutions and services, will be hosting an event to showcase our MPS Technology for a number of local and nationwide dealers. This will take place on January 11, 2010 from 9 am to 3 pm at our Scottsdale office location.

With the demand for more MPS programs in the office equipment industry, MWAi can direct dealers in the right direction to enter the future of the “Hybrid Dealer” with their enterprise class solution suite! At this event dealers can expect to learn more about MWAi and their solutions with live demonstrations.

In addition to this MWAi Showcase Event, From 9 am to 12 pm, Samsung Electronics America, Inc., the world's second-largest manufacturer of laser printer engines, will be stopping by MWAi for their Samsung Mobile Experience 2009, a 30-city US campaign, sponsored by the Samsung Printing Solutions Group. This program is aimed to help drive awareness of the company's cost-effective printing solutions for business.

### **About MWA**

MWA Intelligence, Inc. (MWAi) provides cutting-edge M2M (machine-to-machine) and M2P (machine-to-people) solutions and tools that support the exchange of real-time information. MWAi combines OEM relationships, technological innovation, and years of industry experience to meet and exceed all your MPS needs. MWAi manages and monitors locally and network

connected imaging devices, automates meters directly to ERP, and bridges communication from machine to service technician – encouraging your dealer to embrace the Hybrid dealer concept! Solutions include: Intelligent Workforce (mobile field service management) Intelligent Service (dispatch automation, ERP/CRM integration), and Intelligent Assets (automated meter reading, remote asset diagnostics and management) and more.
